Examine gender as
— a construct...
— as porous
— as malleable
— as performance
— as important to understanding what it means to be human.

Gender Studies program

The Gender Studies program puts gender at the center of scholarship.

Gender Studies matters in
— politics
— law
— business
— church
— science
— art
— education
— entertainment
— medicine
— science

Gender Studies is not
— just for girls
— propaganda
— man-hating
— women's studies
— scary
— marginal
— someone else's problem

Gender Studies is about
— you
— your family
— your friends
— your community
— your world

Gender Studies is about
— you
— your family
— your friends
— your community
— your world
