6. Open Forum
Rob opened the floor for discussion. Several questions and concerns were addressed regarding the new Xerox copiers, shorter summer work hours, staff individual rights to make upgrades on their computers, performance reviews, and the expense of faculty recruiting. Yesterday and today, green envelopes are being delivered to department chairs and programs directors with confidential budget information. Regarding summer session: Mo said that she will calculate the summer session salaries if you are not privy to a particular faculty members pay. If you have someone teaching summer session that is not in the College you will have to call their supervisor and request the salary from him/her. Cindy reminded us that Promotion and Tenure decisions will be released by the Provost Office on May 3rd.
