The Political Science major provides a foundation in American politics, constitutional studies, international relations, comparative politics, and political theory. It also allows you the flexibility to tailor the major to your own interests. Get a 21st century education that will prepare you for your future, and also help you figure out who you are, what you can do, and where you want to go. Learn about the world, and learn the research techniques to help you make your own contribution.

Major in political science ... and discover yourself.
